TERRORIZED COMMUNITY

**Jesse McCurry Runs Amuck Near
Parlor Grove, and Is Adjudged
Insane and Sent to Asylum**

Jesse McCurry, who moved into the southern part of Lincoln from the mountains of Johnson county, about four or five years ago, terrorized the Parlor Grove neighborhood last Friday, with a shotgun, and it required quite an amount of strategy on the part of Deputy Sheriff Monroe Thompson and a posse of men, to capture him and bring him to jail here. He was tried in county court Saturday where a jury found that his mind was not right, so he was ordered to the asylum at Lexington.

McCurry, who is a young man, about 25 years of age, and a member of a well known family in that part of the county, seemed to take a notion to "run amuck" very suddenly. Together with Jack Lay, his brother-in-law, he had started rabbit hunting. He induced Lay to empty his gun, and then threatening Lay with the shotgun he carried, which was loaded, had Lay marching up and down the road for quite a while, and put Lay through all sorts of antics. Jarvis Burleson and Ansel Petrey came by, and McCurry stopped them. McCurry's aged mother, Mrs. Louis McCurry, came out to remonstrate, to the crazed man who turned his gun toward her, and compelled her to "march." He soon tired of this, so still threatening them with the shotgun if they did not obey, he waved Lay, Petrey and his mother, off down the road, telling them to go home, while he proceeded to "march" Burleson a while. This did not suit Burleson, a little bit and at the first opportunity, Burleson "went for" McCurry and for a while they had it, rough and tumble, all over the place. Although Burleson is the larger man, McCurry in his mania, seemed to have the strength of a giant, and he got Burleson down, and gouged one of his eyes almost out. Petrey seeing the man's predicament, ran to his rescue, and pulled the crazy man off, just in time to save Burleson's sight.

McCurry then went to a blacksmith shop where he broke his shotgun over an anvil, and laid out an assortment of heavy hammers, as if to defend himself with them. In the meantime news of the man's actions had spread over the community, and a warrant was sworn out for him. Deputy Sheriff Monroe Thompson together with Mack Eubanks, Gran Jones, Nathan Williams and Marion Warren, went after McCurry, and quickly overpowered him. Officer Thompson was about to slip the bracelets on him, when he promised sanely enough to be good and to accompany the officer to town without trouble, which he did according to his word.

Little of the above was brought out at the hearing as to McCurry's sanity at the trial here but was related by the men who brought the young man to town. It was shown at the trial, however, that McCurry had threatened to dynamite his father's house, if the latter did not give up the young man's gun which had been hidden. The elder McCurry admitted this on the stand here, but did not think that his son was crazy. The whole gist of the testimony seemed to show that young McCurry had most of the people in that section terrorized, and afraid of him. Physicians, to whom his conduct was explained, declared that his mind was undoubtedly affected, so the jury ordered him taken to the asylum.

REPUBLICAN CONVENTION

**To Select Presidential Delegates For
Eighth District May Be Held
In Stanford Soon**

The Eighth district republican presidential convention will probably be held in Stanford to select delegates to the national convention at Chicago. A meeting of the Eighth district republican committee, composed of the county chairmen of the 11 counties of the district, has been called to be held here next Thursday, January 27th by State Central Committeeman George D. Florence, of this city, who will preside over the deliberations of the committee. At that meetings, the time and place of holding the Eighth district convention will be named. Mr. Florence and other leading republicans are strongly in favor of holding the convention here, and it is probable that a delegation from the local Commercial Club and other interests will go before the committee Thursday and invite the holding of the convention here.

When the convention is held, two delegates will be named from this congressional district to the national republican convention. So far the only names suggested for this honor are those of W. C. Black, of Madison county, and Ludlow F. Petty, of Shelby county, both among the best known republican leaders in the state. It is expected, of course, that the convention will instruct its delegates to vote for Fairbanks for the presidential nomination as that has already been agreed upon by the big guns of the party.

The county chairmen who compose the Eighth district committee which meets here Thursday and who are expected to be here, are:

Lincoln—Dr. R. L. Davison.
Boyle—N. K. Tunis.
Garrard—Dr. Montgomery.
Madison—W. C. Black.
Casey—Lum Combett.
Adair—Wm. Coffey.
Jessamine—Dave Knobel.
Shelby—Mike Hughes.
Spencer—E. B. Stratton.
Anderson—Lloyd Simpson.
Mrs. T. A. Rice went to New Castle Tuesday morning to make a visit to Mrs. Kirby Bourne.

Mothers! Give Child "Syrup of Figs" If Tongue Is Coated

**If Cross, Feverish, Sick, Bilious,
Clean Little Liver and
Bowels.**

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty bowels and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

The Stanford Credit Men's Association meets tonight at 7 o'clock. All members are urged to be present.

Quite a lot of interesting news was crowded over to Friday's paper.

BIG DAY AT LANCASTER

**Thousands See Aged Negro Man
Draw Auto—Other Live News
from Neighboring County**

Lancaster, Jan. 24.

Lancaster's merchants and business men held here on Saturday, what might be designated as an "Automobile Contest," in which a Ford machine, a set of furniture, a set of dishes, a stove, and many other household articles, as well as awards of money, were given to the fortunate holders of certain tickets which had been given out to customers upon the purchases of goods and various commodities. "Uncle Buss" Leavell, an aged Negro, came in as first winner, having on his ticket the number that drew the automobile. He immediately sold it at auction to John Hicks for \$391. The streets were fairly crowded with people, not only from all over Garrard county, but from adjoining counties, and even from the mountains, holders of tickets given on Lancaster flour sold in Eastern Kentucky, coming at noon, on a train from that part of the state. It was estimated that 3,000 or 4,000 people were in town.

Celebrated 90th Birthday.

Mrs. Elizabeth Mason, Lancaster's oldest citizen and one of the most highly esteemed women of the community, celebrated her 90th birthday Sunday at the home of her son, former Circuit Clerk William B. Mason, of this city. Many were the expressions of love and esteem extended this highly revered woman, various tokens and gifts attesting to her popularity. She was born at Lancaster on January 23, 1826, and united with the Christian church here 74 years ago, being immersed in a pond with 100 yards of the dwelling where she now resides. She was, before marriage, a Miss Logan, of that famous pioneer stock for which Logan's Fort, the first Kentucky settlement of this section, was named.

Bastin—Goff.

Miss Mamie Bastin, only daughter of Mr. A. H. Bastin, a prominent business man of Lancaster, was married on Saturday, at high noon, to Mr. Robert Goff, of Cincinnati, the ceremony being performed at the residence of the bride's parents, Rev. C. S. Ellis, Baptist minister from Paint Lick, officiating. The nuptial affair was very quiet, with only immediate members of the family, present, on account of a recent bereavement. Immediately after the marriage, the couple left for an Eastern trip, to be "at home" in a few weeks in the Queen City.

MULES DRAGGY AT LANCASTER

Lancaster court Monday drew a big crowd, notwithstanding the fact that one of the largest throngs in its history was in the capital of Garrard the Saturday before at the automobile drawing. Trading was only fair on Monday, however. There was practically no cattle market, only one bunch of calves being in the pens and were sold by Oatts & Robinson, to Mart Bogie. There were quite a lot of mules offered, however, and deals in hybrids were about the only stock sales of any consequence made. Dick Gentry, of Danville, bought a half dozen or so, paying from \$125 up to near \$175 according to the grade of the animals. The top price of the day was \$215 paid for a Lincoln county animal. W. B. Burton picked up a few likely looking animals at an average of about \$140, and others were buying in small quantities. The mule market was draggy all day, as owners of mules are holding them for top prices since the market has been going up.

MATTINGLY—WALKER.

Will Walker, a younger brother of Judge Lewis L. Walker and Green Clay Walker, surprised his friends by marrying in Jeffersonville, Ind., last week, about the same time that his brother, the County Attorney of Garrard, was also wedded. Mr. Walker's bride was Miss Lena Mattingly, said to be a charming young lady of the Falls City. Mr. Walker has been practicing law in Louisville for a year ago and has a bright future before him. His many friends back in this section, will extend congratulations.

The Q. & C. railroad is preparing to do some building at Junction City. It has taken an option on the G. W. Pipes property for a period of three months, within which time, it is expected that its plans will have matured.

DAVID SCOTT IS NO MORE

**Leading Farmer, Mason and Christian
of Goshen Section, Answers
Final Summons.**

Another splendid old citizen of Lincoln county, was called to the reward of the faithful when the spirit of David Scott, one of the most prominent farmers of the county, a life-long resident of the Goshen neighborhood, north of town, passed over the river Saturday night after a protracted illness of a complication of troubles. Mr. Scott was 76 years of age, and tired nature, after a gallant fight, was unable longer to resist the encroachment of time, and the fine old gentleman peacefully passed over to that bourn from which no traveler ever returns.

Mr. Scott was a splendid citizen in every meaning of the word, public spirited, kind and charitable, a devoted husband and father and the kind of men who are the backbone of the state. He was a pioneer member of the Goshen Christian church, helped to organize and build it, and was ever faithful in attendance upon its services. He was also a member of that great fraternal organization, the Masonic order, being a member of the Preachersville lodge.

In addition to a host of friends—for whoever knew this kindly old gentleman, was his friend—he leaves behind to mourn, a loving wife, who before her marriage was a Miss Sallie Boone, a sister of Mrs. Mary Penny, of Stanford, and H. B. Boone, of the county; and four sons and a daughter, the sons being Messrs. Edward G. Scott, of Covington, and Walter, Albert and Harry Scott, of this county, and one daughter, Miss Ellen Scott.

Funeral services were conducted Monday afternoon at two o'clock, burial being in the Goshen cemetery. After a short scriptural reading by Mr. J. C. McClary, of this city, the Masons took charge of the ceremonies and performed their beautiful and solemn rites over the bier of their departed brother, Hon. J. N. Saunders, who was Master of the Goshen lodge, acting as Master for the Preachersville and Stanford Masons who turned out in goodly numbers to pay this last tribute of respect.

ANOTHER NOBLE WOMAN GONE

Mrs. Eliza Wilmot, wife of James I. Wilmot, one of the most prominent farmers of the Hubble section of the county, died at their home Friday afternoon at one o'clock, and the remains were interred in Buffalo Springs Cemetery here Sunday at noon, after services at the home conducted by Rev. F. M. Tindler of the Lancaster Christian church, assisted by Rev. D. M. Walker, of the Stanford Christian Church.

Mrs. Wilmot had been ill but a short time. She was stricken with a paralytic stroke about a week ago on the same day that the funeral of Mrs. W. H. Underwood, Mr. Wilmot's sister, was held. Death was due directly to hemorrhage of the brain and paralysis. The deceased was in her 52nd year and had lived all of her life in Lincoln county. Before her marriage she was a Miss Gooch, a daughter of the late John M. Gooch, and she was a first cousin of Representative W. G. Gooch, now in the legislature at Frankfort.

Beside her devoted husband, she is survived by nine children, five girls and four boys, who have sympathy of a great many friends in the loss of their loving mother. Mrs. Wilmot had been a life-long member of the Christian church, and was a splendid, consecrated Christen woman in every way. She delighted in doing good to those about her, and will be sadly missed from the family fire-side and in the community where she had lived so long and was so beloved.

The pallbearers at the funeral were Messrs. J. H. Dalton, R. L. Hubble, L. P. Nunnelle, Bowen Gover, Richard Hester and J. C. Eubanks.

NEPHEW OF MRS. FOX DIES, TOO

Will Newell, son of Bowen Newell, who died at his farm in Pulaski about a week or ten days ago, died at his home near Somerset Thursday. Several weeks ago, the young Mr. Newell had an arm torn off in a corn shredder, and he had been very low ever since. He was a nephew of Mrs. Jesse Fox, of this county, and was a young man with many warm friends, and had a bright future before him. Besides the mother, several sisters survive. Following the death of the father, and only a few months before the grandmother, this death is in a greater degree of sadness. The funeral was conducted

Sunday morning by Rev. Talbot of the Presbyterian church, and the body laid to rest in the Somerset cemetery.

GEORGE DYEHOUSE DEAD

George Dyehouse, aged 66 years, passed away last Wednesday, January 19th at the home of his daughter, Mrs. D. C. Dyehouse in Miller addition, after a long illness of a complication of troubles. Mr. Dyehouse was esteemed and respected by all who knew him. He was a faithful Christian, a member of the Ephe-sus Baptist church since early manhood, and an upright and honorable citizen in every way. A wide circle of friends and loved ones and relatives will mourn that he is no more. Funeral services were conducted at the grave in Buffalo Springs cemetery by J. C. McClary. His wife, and one daughter, who married D. C. Dyehouse, survive in addition to two sisters, Mesdames J. W. Blankenship and Martin Harp, and a brother, Wm. Dyehouse, all of whom have the sincere sympathy of all in their hour of bereavement.

SIGNING STATE-WIDE PETITION

**All Over County Asking Representa-
tive Gooch to Vote For It.**

Representative W. G. Gooch was home from Frankfort, and on the streets here Saturday. A number of those interested, sought his views on the question of submitting the state wide prohibition question to a vote of the people, but it is understood that they got little satisfaction or assurance that he will vote for such a measure. Petitions are being circulated all over the county, it is understood, asking Mr. Gooch to vote for the bill, and it is pointed out that in the democratic primary last August, the man who was running as the state-wide candidate for governor, carried the county over the man who was said to be opposed to it, and for this reason, those who want to see the question submitted to a vote in Kentucky say that Mr. Gooch's constituency are clearly in favor of his voting to submit the question to a vote of the people. Mr. Gooch says that so far as he can at present see things, he will not introduce a single bill at the present session. The state-wide bill will come up in the senate Tuesday or Wednesday, and, of course, Senator Montgomery, of this district, will vote for it.

BAD COLD QUICKLY BROKEN UP

Mrs. Martha Wilcox, Gowanda, N. Y., writes: "I first used Chamberlain's Cough Remedy about eight years ago. At that time I had a hard cold and coughed most of the time. It proved to be just what I needed. It broke up the cold in a few days, and the cough entirely disappeared. I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms." Obtainable everywhere.

AUTO INJURES OLD CITIZEN

**Thos. J. Oaks Probably Fatally Hurt
When He Jumps in Front of
Elmer Anderson's Car.**

Thomas J. Oaks, a well known old citizen and union veteran, was seriously, if not fatally injured Monday morning when in attempting to dodge a buggy approaching him on the Crab Orchard pike, near Rowland he jumped directly into the path of an automobile driven by Elmer Anderson, son of H. C. Anderson, of this city. Mr. Oaks, who is 76 years of age, has been very poor of hearing and sight for a number of years, and evidently did not hear the car, which had turned far to the right of the road, in order to pass Mr. Oaks, as young Anderson knew that the old man could not see or hear well and desired to give him plenty of room in the middle of the road, down which he was walking.

Young Anderson is greatly distressed at the unfortunate accident, from which he is completely exonerated of any fault by those who have investigated the matter. He was driving toward Rowland accompanied by James H. Pepples and a colored boy, when ahead they saw Mr. Oaks coming toward them walking in the middle of the road. Anderson sounded his klaxon, and realizing Mr. Oaks' infirmities of sight and hearing, pulled far to the right of the road, in order to pass him without danger. The auto's tracks at the place, show that the young man had pulled as far over to the right as he safely could. Just as the car was about to pass Mr. Oaks, a buggy came up behind him. It is believed that he evidently did not hear the auto but did hear the buggy, which was about to pass him on the other side, but over so as to leave him plenty of room in the middle of the road between the two vehicles. Just as the buggy passed him Mr. Oaks heard it, and gave a leap out of the way, toward the auto and directly into its path. It was done so quickly that Anderson was unable to stop the car, which struck the unfortunate man a severe blow. Mr. Pepples and Anderson jumped out and put Mr. Oaks into the car and rushed him to the office of Drs. Brown and Southard where an examination showed that one leg was broken, several ribs were fractured, and one it was feared had punctured a lung, as he began spitting up blood. He was also badly injured about the face and head. As soon as his injuries were dressed, he was removed to his home on Darst street, where he is being given every attention possible by his wife, children and physicians.

Mr. Oaks' age and the fact that he has been in feeble health for some time, militate against him, but he is reported to be somewhat improved. Mr. Oaks is one of the few Union veterans left in this county and has drawn a pension for a number of years.

Elmer Anderson, who was driving the car when it struck the aged man, is a thoroughly experienced chauffeur, and operates cars at all times out of his father's garage here. It was a Ford touring car which he was driving when the accident occurred. Young Anderson is a bridegroom of only a few months, having married the daughter of Representative W. G. Gooch. He is a popular and well liked young man. He regrets exceedingly the unfortunate affair, but declares that he did everything possible to give Mr. Oaks plenty of room in which he is fully corroborated by Mr. Pepples.

SHIPPING OLD IRON.

W. B. Buchanan, who buys almost anything that is sold, loaded two cars with 165,000 pounds of old iron Friday and Saturday. He has been buying it, a few pounds at a time, for the past several months. He shipped it to a Louisville firm which pays him \$8 per ton on cars at Stanford. No one had no idea that there was that much old iron in Lincoln county.

THE GIST OF IT.

"Last December I had a very severe cold and was nearly down sick in bed. I bought two bottles of Chamberlain's Cough Remedy and it was only a very few days until I was completely restored to health," writes O. J. Metcalf, Weatherby, Mo. If you would know the value of this remedy, ask anyone who has used it. Obtainable everywhere.

When McChesney and Stanley were running for governor, in the primary last August, one of the stock arguments of those opposed to McChesney was that the governor "would have nothing to do with the prohibition question." How much bunk was in that is shown by the reports from Frankfort of the activity of "the Administration" to defeat the state-wide bill now before the Senate. The Louisville Times, which aspires to be the organ of the Administration said this Monday: "The administration leaders have not been letting any grass grow under their feet since the 'drys' precipitated the State-wide fight, and Gov. Stanley has the situation well in hand." And there you have a complete refutation of the pre-primary arguments.

BAD FIRE IN EAST END.

The house, barn, outbuildings, and all the personal effects of Garland Howard, about a half mile east of Crab Orchard on the Brodhead road, were completely destroyed by fire about 11 o'clock last Friday morning. The family was out of the house at the time the flames broke out, and it is supposed that the wind blew open a door and caused fire to blow out of a grate on to the floor, and thus set the place ablaze. Mr. Howard's loss falls very heavy upon him as he carried no insurance, and may run up as high as \$1000 as he lost all of his feed, as well as the buildings, etc. He is the son of Ben Howard, a well known resident of the East End.

Keep your property of all kinds well protected from fire by insuring with Jesse D. Wearan, the Insurance Man, of Stanford. 7-1

WOMEN OF SEDENTARY HABITS

Women who get but little exercise are likely to be troubled with constipation and indigestion and will find Chamberlain's Tablets rightly beneficial. Not so good as a three or four mile walk every day, but very much better than to allow the bowels to remain in a constipated condition. They are easy and pleasant to take and most agreeable in effect. Obtainable everywhere.

BURGLARY AT McKINNEY.

Unknown burglars looted the store owned by G. H. Masters at McKinney last Friday night, obtaining about \$6 or \$7 in cash. Entrance to the building was effected by a side window, which was pried open. "Casey" Jones, who is in charge of the store, sleeps at home and discovered

the burglary when he came down to open up the store Saturday morning. He immediately phoned here to Mr. Masters, who went out to McKinney to investigate. The cash register which had been taken out of the store bodily, was found at a railroad siding, north of town, rifled, of the money it contained. A couple of 10-cent pieces were found near the register, which had evidently dropped out in the dark.

Heard About Town

News was received from Florida Tuesday by Postmistress Mary Bruce that the quarters of the road camp of which her father, I. M. Bruce has charge near Mt. Dora, burned down and Mr. Bruce lost everything he had except the clothes on his back. Mr. Bruce left Stanford only a short time ago to take a nice position on the Dixie Highway work.

Lincoln county tobacco growers who had weeded on the market at Danville Monday all came home with broad smiles on their faces. Top prices were the rule, and as most of the offerings made by the Lincoln county growers were of classy weed, very satisfactory figures were realized. Col. Ike Dunn is boosting all the time and does everything in his power to please his patrons.

Has Faith in Quick Remedy For Catarrh

G. L. Penny Guarantees That Hyomei Will Relieve the Worst Cases of Catarrh in Stanford

When one of the most reputable concerns in Stanford guarantees that a medicine will produce benefit or it will refund the money, it speaks volumes for the merits of that remedy. It is in this way that G. L. Penny is selling Hyomei, the treatment that has helped so many cases of both acute and chronic catarrh in Stanford and vicinity.

Hyomei is not a pill nor is it a spray or a lotion that must be rubbed in. It is an oil the air of which you just breathe in your nose, throat and lungs by the aid of an inhaler that comes with every outfit. Benefit will usually be seen from the very first treatment.

This air destroys all germ life in the air passages and lungs and enriches and purifies the blood with the additional ozone it supplies. It banishes catarrh of the head and throat, and respiratory organs. Wherever these mucous membranes contain catarrhal germs, there Hyomei will do its work of healing.

The complete Hyomei outfit is inexpensive and includes an inhaler, dropper and sufficient Hyomei for several weeks' treatment.

Remember that if Hyomei does not relieve you, G. L. Penny will refund your money. 5,7

Splendid Laxative For Elderly People

Has Been Prescribed By Well Known Physician For Many Years.

Mrs. Rachel Allen.

The infirmities of age are especially manifest in a tendency to constipation, and call for treatment that will afford relief in an easy way. The rapid action of cathartic remedies and purgatives that shock the system should be avoided, more especially as the relief they offer is only temporary and is usually more than offset by disturbance to the vital organs caused by their violent action.

Nearly thirty years ago Dr. W. B. Caldwell, Monticello, Ill., prescribed a compound of simple laxative herbs that has since become the standard household remedy in thousands of homes. It acts easily and gently, yet with positive effect, without griping or other pain or discomfort. Mrs. Rachel Allen, Galesburg, Kans., is 71 years old, and after using a bottle of Dr. Caldwell's Syrup Pepsin, wrote that it had done her a world of good and that she intends to keep it in the house always.

Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. It is a splendid remedy and should be in every home. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

High Crop Average Broken at People's House at Danville

Tobacco Takes Big Upward Jump at People's House Monday Morning and Anderson County Crop of 2465 Pounds Brings An Average of \$39.59 per Hundred

COL. DUNN AND ASSISTANTS REMAIN ON FLOOR AND BOOST PRICES

The most enthusiastic tobacco sales of the season took place Monday at the People's House on Perryville street. There was a great crowd of growers from Boyle and all surrounding counties, and from several distant counties, and when bidding became spirited and prices soared there was unlimited enthusiasm. V. Lear, of Anderson county, sold 2,465 pounds, an average crop, at the general average of \$39.59 per hundred, which broke all the high crop averages in the state for the present season and gave only another indication of the fact that on account of splendid shipping facilities, and tobacco warehouses of the best type managed in accord with the best policies, Danville stands far ahead of all markets in the State when it comes to top prices and high averages.

One basket of the Anderson county crop brought 58 cents a pound, another 53 cents and still another 49 cents, while the lowest brought 25 cents. When this banner crop average was made, enthusiasm was unbounded.
